Starnik & StarnikPay

Billing & Payment Experience

What's Changed?

- **Single System for Billing & Payments**
- **Real-Time Payment Posting**
- **Direct Payment Processing**
StarnikPay connects directly to payment processors without the need for third-party gateways.
- **Improved Bookkeeping & Reports**
Reporting remains familiar to most bookkeepers already working with Starnik. We can also provide sample recap reports to help teams adjust.

Customer Features

- **Customer Portal:** <https://inframark.starnik.net>
- **Real-Time Payment Reflection** — no more delays or confirmation calls.
- **Improved eBilling** — paperless bills, email notifications, or both.
- **Re-Enroll in AutoPay** — schedule automatic payments.

- **GuestPay** — https://inframark.starnik.net/starnikERP/#/rp_guestpay
no login required, make one-time payments quickly and easily.
- **IVR Payments** — **remains available**, pay by phone with a saved payment method.

This transition enhances a more user-friendly experience for customers. If you have any questions or need support, we are here to help.
